MEMORANDUM FOR: Deputy Director for Intelligence

SUBJECT: Report of DDI Task Force on ADP

1. I am forwarding for your review the report of the DDI Task Force on ADP that I chaired. As you know, Bob set up the Task Force in February to look at how the Directorate should be organized to deal with the ADP question most effectively and to provide recommendations to him by early May. The attached report makes seven specific recommendations that have the unanimous support of the Task Force members. Members of the Task Force are available to elaborate on any of the findings or recommendations, or to discuss with you their own ideas about implementation.

2. As a final observation, I want to record my personal appreciation for the close cooperation of all members on the Task Force during the more than two months that we were in business. Special note should be made of the job done by [REDACTED] the Executive Secretary of the Task Force. He was responsible for organizing sessions, played a key role in formulating the questions we pursued and handled all the drafting responsibilities.
